

## A CHALLENGE FOR TOMORROW

At the Deepe Waters Project™ we have a vision to help countless at risk adolescents find God.

Today's youth are vulnerable, with few quality role models to pattern themselves after. Our mission and hope is to stem the tide, one youth at a time.

You can help by helping your own organization raise funds for their projects.

### ACTION PLAN

**STEP 1:** DEFINE your need

**STEP 2:** DETERMINE funding amount

**STEP 3:** RECEIVE water & plan for fundraiser at no charge from DWP

**STEP 4:** OFFER pure water to your supporters with your message

**STEP 5:** IMPLEMENT your mission with gathered funds

**STEP 6:** PRAISE GOD and return half of the proceeds to the Deepe Waters Project™

**STEP 7:** PLAN ANOTHER EVENT

## Raising Funds

What if you could raise the money you needed to bring the kids from your church or organization, or even from the neighborhood around you, to Brookhaven Summer Camp. What about supplying scholarships for those families that cannot afford the cost, who get

left behind, never getting the chance to experience a Christian Summer Camp. Wouldn't it be a blessing to have this paid for by your fundraising efforts and not spend out of pocket money or church funds in doing so? The Deepe Waters Project™ does exactly that.

When we arrived at Brookhaven Retreat towards the end of 2015, we were in awe of the overwhelming feeling that God had surely been here long before. He has used and transformed this amazing property throughout the decades for His good pleasure, and we are humbled to be involved in what He has planned next.

## We Asked God for Guidance

Once we were moved in and realized what an amazingly peaceful place this was, we asked God to show us the resources of this property and how He would have us use those resources. It took no time to get that answer, maybe 90 days, and we knew that the Water on this property was not your usual drinking water. The deep wells that supply the water to Brookhaven Retreat is a high pH balanced water that has some special qualities to it. We began to focus on the water and prayed that God would continue to guide us into the understanding of what to do with this water.

Brookhaven Summer Camp partners with ministries providing affordable camps to groups that rent our facilities

## The Birthing of an Idea

The Deepe Waters Project™ started to take form and we began to talk about the possibilities. Again, we looked at our resources of facilities, activities, and the like asking God to guide our thoughts to lead us into the understanding of how to use all that had been placed into our care for the purpose of the Kingdom of God.

So what has been given to us to accomplish is to bottle this amazing water, label it for those needing to raise funds, and **give it** to Christian

non-profit groups in order to further their ministries. Once they have sold the water they would then gift back to Brookhaven half of their proceeds so that we could bring at risk kids to Christian Summer Camp, maintain operations of the camp, and build a Bible Museum designed to trace the Scriptures from Genesis forward.
